NURSERY SYLLABUS

Welcome and congratulations on becoming and being a part of Loyola International School family. A study of the past has enabled us to prepare and lay out courses in a manner which will not exhaust or tire our children mentally but will help them grow at a comfortable pace and yet keep up with the times.

The happiness with which our children come to school, the joy with which they learn, the care and imagination with which our teachers teach them and the appreciative cooperation that we receive from our parent body is sufficient indication of our efforts. This fills us with energy to follow the same path with continuous improvements.
